

Subject area:	Modern Foreign Languages
Course:	French
Qualification:	GCSE

Course Details - What will the course consist of and how will it be delivered?

Students will study Edexcel French GCSE

Students study the topics of Identity and culture, Local area, Holiday, Travel, School, Future aspirations, Study and work, International and global dimension.

Students will be encouraged to develop:

- The ability to communicate clearly in the target language.
- The ability to work with others on tasks.
- The ability to apply learning from other subjects in their language work.
- A positive attitude to different cultures.

A variety of teaching and learning methods are used. Students will be expected to learn vocabulary and grammatical structures as well as complete written, listening, reading and speaking tasks.

Person Specification

You will need the skills of listening, speaking, reading and writing.

Further progression on completion of the course— what opportunities could this course lead towards in the future?

A-level French and A levels in other subjects.

Many Universities require a GCSE in a foreign language for entry to their courses.
