

15 November 2016

Dear Parent/Carer

**Re: Year 11 OCR Mathematics Revision Books**

I am pleased to offer your child the opportunity to purchase GCSE Mathematics revision books. The revision guide and workbook are priced at £2.50 each but both can be ordered together at a discounted price of £4.

The Revision Guide gives hints and tips for students on how to answer questions on the exam topics and the Workbook has lots of exam style questions. Both books are written specifically for the OCR examination.

If you would like to purchase one or both of these books, please fill in the reply slip below and return it to your child's maths teacher by **Friday 25 November**. Books will be handed out shortly after this date.

Payments need to be made by ParentPay or by cash/cheque direct to your child's maths teacher.

Yours sincerely

B. Evans  
**Head of Mathematics**
