

27 April 2017

Dear Parent / Carer

We are very much looking forward to welcoming your child to The Bulwell Academy in September.

I have enclosed our [latest newsletter](#) which highlights the tremendous range of activities undertaken by our students and I hope that this will encourage our new students to retain their enthusiasm for learning.

As your child enters their final term at in primary school we hope that they are feeling settled and excited about their transition to secondary education. We have a special day planned for Wednesday 5 July when our new intake for September will be coming to the Academy to meet the staff and their new classmates.

We will send you details on this 'transition day' in mid-June in our New Parents Information Pack. All the information you require regarding uniform, school clothing vouchers, term dates, school hours etc will be included in this pack. Our website, www.bulwellacademy.co.uk is full of useful information for parents and helpful for new parents to familiarise themselves with the school.

In the meantime, to help you to keep in touch with our activities, you might like to follow us on Facebook @BulwellAcademy or on Twitter @Bulwell_Academy.

With best wishes and looking forward to meeting you in June.

Yours sincerely

Mrs Alison Bingham
Director of Business & Enterprise
