

26 March 2018

Dear Parent / Carer

The Bulwell Academy New Intake September 2018

We are delighted that you have chosen The Bulwell Academy for your child's secondary education.

The Bulwell Academy will be joining the Creative Education Trust (CET) later this year. The CET are a growing network of schools and currently have a number of good and outstanding primary and secondary schools across the Midlands and East Anglia. CET offer an exciting and inspiring curriculum for Key Stage 3 students in addition to their ongoing drive for excellence in all areas of education. To reflect these changes, we will have a new school logo and for this reason we ask you not to purchase any uniform showing the current logo for your child at present. We will write to you when we have further information regarding uniform.

As an introduction to us at the Academy I have enclosed information about key events that have been planned to help your child to settle quickly with us. If you use Facebook, you might like to follow us on [@BulwellAcademy](https://www.facebook.com/BulwellAcademy) to see how students are progressing and enjoying their education. Any general comments or enquiries should be sent by email to info@bulwellacademy.co.uk rather than via social media.

You can be assured that our focus is on continually raising standards and ensuring we create an environment where 'Everyone Achieves'. Whether it is learning about wide ranging careers from apprenticeships to business visits, record-breaking students or making early plans for university; everything we do is about ensuring the highest standard of education to enable the future success of your child.

We will be writing to you again with more information after the Easter break. In the meantime, we are delighted to welcome you and your child to The Bulwell Academy.

Yours sincerely

V Maher
Principal
