

8 February 2018

Dear Parent / Carer

YEAR 10 PARENTS' EVENING – Wednesday 14 February 2018, 4-7 pm

Attending this event is really important to us and your child's future achievement and we would be really pleased if you could join us next Wednesday to discuss their success at the Academy.

Your child is now at a really critical stage in their education, being only one year away from preparing for their final Key Stage 4 exams and taking decisions about what, and where, they would like to study next. Knowing exactly how your child is coping with learning gives you the essential opportunity to support your child where needed and encourage future success.

We are also about to begin the Academy's award-winning employability skills programme called 'Employment Intelligence' when your child will be learning about the world of work and organising their work experience placement. Mrs Freeman, our Business Links Co-ordinator, will be at the event and happy to answer any questions you may have as well as advise you on the full range of support which is currently available.

At this event you will have the opportunity to:

- Meet with subject teachers to discuss recent progress report
- Discuss your child's attitude to learning within the academy, and raise any questions you may have
- Meet with members of the senior leadership team and discuss any issues regarding your child's education
- Meet with the careers team to find out what opportunities are available to your child
- Hot dogs and chips will be available to buy from our restaurant as well as the usual supplies of free tea and biscuits.

We are keen to discuss your child's progress with you and, if you are unable to make this date, please do not hesitate to contact their form tutor by phoning the Academy on 0115 964 7640.

In the meantime, if I can be of any further help please do not hesitate to contact me.

Yours sincerely

J. Simmons
Vice Principal, Year 10
