Dear Parent/Carer

Collection of Examination Results - Thursday 23 August 2018

As the exam season has finished, we are now thinking about the student results. Results are published across the country on Thursday 23 August and this letter outlines the plans we have in place to enable your child to collect their exam results.

- **Year 11 students** will be able to collect their results from **9am onwards** from the Hall
- **Year 10 students** will be able to collect their results from **10.30am onwards** also from the Hall

Your child should arrange to collect their results from the Academy. If for any reason they are not able to pick up their results in person, we can give them to parents if suitable proof of identity is shown. We regret that we are unable to give results to friends or relatives.

Certificates for the June exams will not arrive in school until late October and we will notify you as soon as these are available to be collected. Any certificates we currently hold for students will be given out with the results. Please ensure that certificates are looked after as examination boards charge around £37 for replacements.

We will be providing support for students on the morning of 'Results Day' and I have included in the enclosed Bulletin, Nottinghamshire Futures Service details, who can also provide further information about your child's future options.

We hope your child is considering our sixth form to continue their studies and on the morning of results day Mrs Yarnall and Mr Turner will be available to discuss the Sports, Business and Health & Social Care subjects available here at the Academy.

We are anticipating good results for our students this year; we hope your child will be able to join us, as it will be a great opportunity for them to celebrate successes and meet up with the teaching staff.

Finally, I wish you a very happy summer break and have enclosed a copy of our newsletter which highlights just some of the successes of the past term.

Yours sincerely
