Dear Parent/Carer

### **AQA English Literature GCSE revision guides**

The Bulwell Academy recommends the CGP revision guides to support students with their revision for the AQA English Literature GCSE. These guides provide important information to help students with the exam and they contain lots of useful revision activities that students can use, as well as revision hints and tips. Students should ask their teacher if they are not sure which guides would be useful to them.

The revision guides are being offered at a significantly reduced rate of £3.50 each and we currently have the following guides in stock:

- Unseen Poetry Guide
- Romeo & Juliet
- Poetry – Love & Relationships
- Dr Jekyll and Mr Hyde
- Blood Brothers
- An Inspector Calls

If you would like to purchase any of these revision guides, please do so through our on-line payment system, ParentPay. The guides will be available to collect from the library following payment.

If you have any difficulties paying on ParentPay, please contact Sarah Cruse in the school office who will be happy to talk you through the process.

Yours sincerely

L. Holmes
