

**PARENTAL CONSENT FORM:
OFF-SITE NON-ADVENTUROUS ACTIVITIES
2017 - 2018**

PLEASE COMPLETE AND RETURN THIS FORM TO THE BULWELL ACADEMY

By signing and dating this form you give authority for your child to take part in school trips and other activities that take place off the Academy premises and during the normal Academy day but are not classified as adventurous.

These activities include:

- Local visits
- Arranged off-site sports
- Other standard curricular activities, any of which may take place outside normal Academy hours and at weekends.

Further parental consent will not be requested from you for the majority of off-site activities offered by the Academy which form part of the normal curriculum or Academy offer.

However, you will still be requested to complete a parental consent form for adventurous activities accepted to be more hazardous or requiring residential accommodation.

Communication

The Academy will send you information in good time about visits or activities covered by this consent form which are planned and where your child would be expected to take part. You will be given, at an early stage, the opportunity to tell the school if you do not wish your child to take part in any particular trip or activity.

Medical Information
To ensure that the Academy is in possession of any medical information which we need to care for your child whilst on trips and activities, please note below any medical issues/requirements which we need to be aware of. This should include details of medication, special dietary needs or other medical information which relate to your child.

Student Name: **DOB:**

Parent/Carer Signature: **Date:**

Parent/Carer Name & Relationship to student
