### Course Details - What will the course consist of and how will it be delivered?

GCE A' Level Art and Design is an expressive course that enables individual artists to explore their creative abilities, their ideas, visions and emotions about the world in which we live through many artistic forms. This course will allow you to work in many different art medias and include 3D model making, textiles, sculpture, painting and drawing, photography, ICT and mixed media studies. The completion of a Fine Art A' Level can open doors to further education courses and lead to job roles within the arts such as:- Fashion design, Graphic Design, Game Deign, Interior Design, Theatre Design, Animation, Teaching, Architecture, Illustration, Art History, Gallery Curator, Professional Artist, Sculptor and photographer to name but a few.

The qualification will develop learners' abilities through the knowledge and skills gained in the programme and are suitable for learners who have already achieved a GCSE or equivalent in Art and Design and would like to expand upon their current creative skills and abilities with more independence and freedom.

Through classroom and independent study and practical learning experiences, studying an AS in Fine Art will enable you to experience practical making skills that are supported by research and creative exploration and concluded with a controlled assessment of 8 hours. In Yr.13 you will take the A2 units, complete another portfolio of coursework that will be underpinned by a personal study and completed with a 12 hour controlled assessment.
